We anticipate a surprise Indigenous keynote speaker (tbc when funding secured).

Network members have not met F2F since the pandemic and we have all missed our regular contact and conversations.

So, this symposium will be in-person.

(But we plan an on-line facility to enable our European colleagues to participate).

The AGM will be held, 16.00-17.00, immediately after the symposium.

For those able to continue conversations over supper, we will book a local, low-cost restaurant/pub.

You can follow developments on our Facebook page:

We hope you will all be as excited as we are and will join us for a wonderful day.
